

New Family Registration - begins Monday, June 12 at 10am

****Please note that Families must have an online Family Account created before inquiring about class options****
We will be responding to inquiries via email and pre approving dancers in classes for online enrollment as of 10am on Monday, June 12.

Below please find our comprehensive step by step registration guide:

STEP 1 | CREATING YOUR ONLINE FAMILY ACCOUNT

Please create an online account prior to contacting the studio regarding class options

1. To access the Family Portal visit the [Protege Dance Project](#) website and click on the ["Dancer Login"](#) tab located at the top right hand corner
2. Click on "New to Protege Dance Project"
3. Complete all Required fields
4. Ensure you click on the box next to **"Yes, send me emails related to my account payments"**
5. Accept all waivers and liabilities
6. Please remember to add your Credit Card Information – this will be needed to pay for dance fees

STEP 2 | HOW TO FIND A CLASS THAT IS APPROPRIATE FOR YOUR DANCER?

A dancer must be listed in a family's online account prior to receiving preapproval for any dance classes. All dancers require class pre approval prior to enrolling. Pre Approval requests are accepted as of Monday, June 10th at 10am.

- To receive pre approval please contact the studio via email at info@protegedanceproject.com or complete the ["new to Protege Form"](#) on our website ensuring to provide the following information:
Dancer's name and age – Discipline(s) of interest – Previous dance experience
- Admin will reply via email notifying you of preapproved class options for your dancer
